September 28, 1982

Mr. Thomas A. Romine, Chief  
Permits and Compliance Programs Division  
State of Ohio Environmental Protection Agency  
361 E. Broad Street  
Columbus, Ohio 43216

Re: NPDES Permit No. OH0000434

Dear Mr. Romine:

This letter is your notification that The Sherwin-Williams Company has permanently closed their manufacturing facility located at 601 Canal Road, Cleveland, Ohio 44113. The varnish manufacturing facility was permanently closed effective December 18, 1981, and the paint manufacturing facility was permanently closed effective July 30, 1982. The facility will be totally shutdown effective October 1, 1982.

Within the next few days, we will forward our monthly reports for Station Code Nos. F334801, F334001, and F334002 for the month of September. These reports will be no longer forthcoming effective October 1, 1982 due to the above shutdown.

If you require any further information or have any questions, please feel free to contact Mr. David Alexander, Environmental Control Department, at (216) 566-2889.

Sincerely,

The Sherwin-Williams Company

Joe Barnes, Jr.  
Plant Manager
